MAYSVILLE, KY., SATURDAY, NOVEMBER 25, 1905.

ONE COPY—ONE CENT.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

Dr. Henry M. Scudder of Carlisle will preach at the Central Presbyterian Church tomorrow, morning and evening. Mr. Pickett Chunn will sing a solo at the morning service.

P. J. MURPHY, the Jeweler.

The Elks Minstrels, under the direction of Mr. Frank Fogarty, have reached a climax in which the boys think that they have the best amateur show ever put on in Maysville and they ask all of their friends and the people of Maysville to turn out next Tuesday, November 28th, and be convinced. On account of the heavy expense incurred they have been compelled to put the price at Parquette \$1, Dress Circle 75c, Balcony 50c, Gallery 25c, but they will guarantee the production equal to the very best produced in Minstrelsy. Seats on sale at Ray's Monday morning at 7 o'clock.

BURLEY ASSOCIATION BUSTED

President Stuart Makes the Formal Announcement of Failure, and Says It is Due to the Nonsupport of the Farmers.

"I told you so!"

CINCINNATI, O., November 24th, 1905.
To the Editor of the Public Ledger, Maysville, Ky.—Dear Sir: The Burley Tobacco movement has failed on account of the lack of interest on the part of the growers in signing up their tobacco. If you desire to say anything about the subject we would like to have the facts stated as they really are, and with that in view have sent you a copy of the statement that we are sending to all the other interior papers.

If you are disposed to publish the same without any expense to the Company should be glad to have you do so. Yours truly,
THE KENTUCKY AND OHIO BURLEY TOBACCO GROWERS CO. A. STUART, President.

CINCINNATI, Nov. 24th, 1905.
To the Burley Tobacco Growers of the White Burley District: It becomes our duty to make the following announcement—
"It is so evident that the farmers and growers do not intend to accept the proposition made to them in Contract A by this Company, that it is useless to waste either time or money in pushing it further.
"On September 27th this Company was incorporated and organized for business. Since that date the work has been pushed with vigor and unflagging energy. The entire district has been thoroughly canvassed and the grower informed and instructed as to the intent and meaning, the objects and purposes of organization, and that it would be a permanent protection to all the growers of White Burley tobacco.

The financial arrangements were made as far back as last July to pay for this tobacco; public and county meetings held all through the heart of the Burley District; the plans and object fully explained; 60,000 letters were sent to the growers, and every grower's name and address was obtained and he was fully instructed and informed.
"A blank form of Contract A was sent to every grower, more than 41,000 in number, together with letters of instruction and urgent appeals to sign and return to this company. Contract A clearly set forth all the prices, terms and conditions promising an average grading of at least 10 cents on the crop. It seems that either the price or terms, or both, were not satisfactory, as the responses are a strong indication that the growers most emphatically decline to accept them.

"There is no other conclusion to arrive at, for the reason that we spent all the money and labor necessary to reach every grower with a copy of Contract A for him to sign, and a very large majority of them have declined, as is shown by the report below.

"A proposition embracing so many desirable benefits and so well calculated to meet the depressing circumstances that now confront the grower was never before submitted. Ten dollars per hundred average was promised the grower for the entire output of the burley tobacco

MAYOR BARTH of Louisville will have poor excuse for not knowing what is going on in his town. He has appointed Colonel JOHN D. WAKEFIELD, a real newspaperman, a member of his Cabinet. For "finding out things," Mr. WAKEFIELD is easily worth a brigade of Detectives.

THE report of the Chief Examiner, just made public, shows that of the 116,019 persons who last year passed the Civil Service examinations, only 39,423 got the job. It would be fun a mile to hear the opinions of the 76,596 fellows who will have to go over the whole thing again next year.

THE world has seen few more magnificent naval spectacles, says The Times-Star, than the one to which New Yorkers were treated the other day when the squadron of big British armored cruisers under command of Prince Louis of Battenberg went to sea, followed soon after by the big American North Atlantic fleet, commanded by "Fighting Bob" EVANS. The British fleet, as it steamed past the Battery, consisted of six of the biggest armored cruisers in the world; in the American fleet were four cruisers of the same class, in addition to seven first class battleships. It was one of the greatest displays of naval power that an American city has ever seen—by the ships of two Nations which will soon be generally recognized as the two greatest naval powers in the world.

BOWLING GREEN added another woman to Fool's Paradise. She tried to kindle the fire with coaloil.

THE Hon. J. H. HAZELRIGG, Democrat and ex-Chief Justice of Kentucky, was one of the speakers at a recent banquet in Winchester; and among other things said by him was this—

"If we expect Kentucky to attain the position she is entitled to, we must stop stealing elections."

And The Sun-Sentinel says he said it in the presence of a hundred Democrats, some of them from Louisville, and escaped without injury.

At Newport Circuit Judge BERRY rendered a decision in a matter of special importance to both Union and non-Union labor. The case at issue was brought by Attorney HORACE ROOR for the Master Painters Association of Campbell County, to test the constitutionality of the ordinance which gave preference to Union Labor in all city contracts. The question arose when the Board of Police and Fire Commissioners awarded the contract for painting the Fourth Street Fire Engine House, a member of the Master Painters Association claiming he was discriminated against because he did not employ Union labor. After hearing arguments on both sides, the Court decided that in excluding non-Union labor, it tended to stifle competition and had a tendency to prevent the city from getting the lowest bids; that it was against public policy and the interests of taxpayers, and held the ordinance was void.

Spices

THAT SPICE

Although adulterated spices should never be used for any purpose, there is no time when pure spices are needed more than during the hog-killing season.

You can be sure of Pure Spices of the best quality if you purchase them here, for in spice purchasing we trust nobody, but test everything in the spice line the same as we do our drugs. If you could see what a lot we have to reject you would appreciate being able to so easily procure the pure kind.

At the present time we can furnish you with some of the freshest and best Sage, Black Pepper, Cayenne Pepper, etc., that was ever raised, and they'll cost you no more than old, flavorless, adulterated kinds which are frequently sold.

FACTS ABOUT THE JEWS

This Week They Are Celebrating the Anniversary of Settlement in America

The first Jew to settle in America arrived 250 years ago.

Upon the Portuguese conquest of Brazil, from the Dutch, the Jews left the country and went to New Amsterdam in 1655 on a ship called the "Caterina."

Luis De Torres, a Jew, sailed with Columbus and touched at the West Indies and South America.

Jews settled in these islands and in South America before coming to North America.

The next Jewish settlement was in Newport, R. I.

There are now estimated to be 1,400,000 Jews in America. Immigration from Russia is rapidly swelling this total.

The Jews fought in all American wars. There were 7,000 who enlisted for the rebellion.

The Jews are now an integral part of the population of the United States, and have a powerful influence on commerce, art and society.

A large bank of palms and sword ferns furnished a screen to the orchestra, which was stationed under the stairs. A delicious luncheon was served in the large dining-room, which was decorated with pink roses and asparagus fern while the orchestra discoursed music throughout the afternoon. Six-hand progressive euchre was the feature of the afternoon. The first prize, a handsome Christy picture, was won by Miss Myra Duke. The second prize, a hand-painted vase, was won by Mrs. Hiram Chenoweth. The third prize, a beautiful hat pin, was won by Mrs. Robert Owens.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 7c. Take Hall's Family Pills for constipation.

HIGHEST PRAISE.

Some Maysville Citizens Grow Enthusiastic on the Subject.

The praise of the public is merit's just reward. Nothing in modern times has received the praise accorded "The Little Conqueror." Of some kinds of praise we are skeptical. We doubt the praise of strangers. The highest praise for Maysville public is hearty expression from Maysville people. Doan's Kidney Pills are endorsed in Maysville. No better proof of merit can be had. Here's a case of it. We have plenty more like it.

James D. Tolle, clerk at Wood Bros. meat market, and living at 117 Short street, Maysville, Ky., says—

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

Plenty more proof like this from Maysville people. Call at J. James Wood & Son's Drugstore and ask what their customers report.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

Correspondence

BOGGS.

Hunters' guns are banging on every side. Mr. J. W. Graham visited at Tollesboro Wednesday and Thursday.

Mr. Campbell of near Sardis is visiting his son, G. T. Campbell, at this place.

Rev. Dr. Waller of Maysville will preach for us next Sunday at Ebenezer Church.

Mr. T. J. Tully will shortly close out his store at Cottageville and go to Portsmouth to reside.

Mr. Robert H. Dixon has sold his farm to Mr. Lewis Deatly of Fleming county; consideration, \$600 cash.

Our little settlement has two stores, a blacksmith shop, a schoolhouse, a grist mill, a Church and several scattering residences. We are pleasantly situated in the beautiful Cabin Creek Valley, thirteen miles East of Maysville.

Mr. Lewis Gidding has returned from a prospecting trip in Indiana. He has purchased a house and lot in Indianapolis and will locate there in the near future.

Our mail now leaves at 10 a. m. and arrives at 4 p. m., which gives us excellent service. Several boxes have been put up between this place and Cottageville, people are signing for daily papers, and there is a general improvement along the line.

Wail of the Weary

APPEAL TO THE FARMERS.

The farmers of the White Burley District have been for many years hopelessly trying some plan to regulate the price of their tobacco, and all plans heretofore submitted to the growers have proven impracticable. In the year 1904 the Burley Association failed after 75% or more of the growers signed up to them, on account of having no funds to pay for it, but the present plan, now being organized in most every county in the White Burley District, to sow no seed in the year 1906 or raising no tobacco, is the only feasible one ever been submitted. It is an unquestionable fact that the price would advance to double or more on what they now have on hand. We don't have to go to Wall street to finance the deal, no waiting in suspense to see if Mr. So and So has made the deal, no answer coming back wanting more tobacco signed up and more stock subscribed. No, no, Mr. Farmer; raise no tobacco and you have made the deal, and all you have to do is to price your tobacco, and be sure you price it high enough.

We are not asking you to put up any money, no 10% to pay expenses. All we ask is to sign the proposition of raising no tobacco in the year 1906 and help yourself more than you ever did before.

Brother Farmer, you have no legitimate reason for not signing the contract. You only obligate yourself not to raise any tobacco in 1906, provided that 90% of the growers in the White Burley District sign. You are at liberty to sell any time you wish and every tobacco grower and most everybody else will reap a benefit. Plenty of money in circulation makes good times.

The tenant derives as much benefit, if not more, than the landlord, as this contract does not alter or change the contract that he has made, only on raising tobacco. The ground that he intended to plant in tobacco the landlord will allow him to raise in corn or anything else if he can make money out of it. The landlord will need more corn because he will have more

hogs and cattle if no tobacco is raised. As far as the tenant getting work, the landlord can and, I think, will, furnish all he will do, because if you take a ride over the country and see bad fencing and many farms you can ride on horse back from one end to the other and it will not put you to any inconvenience to lay the fencing down to get over. You will not have to hold your tobacco longer than May 1st until the speculators or tobacco men and manufacturers see it is to late too sow seed and if you should be out in the road they will almost run over you to get to your barn first.

The solicitors will be around to see you next week sometime and don't stop and argue with them. Sign up and reap the reward.

Needmore, Ky.

THE GAME LAW

There Seems to Be Some Mistake About Sale of Quail

THE LEDGER has heard repeated statements that it is forbidden to sell quail in the open market in this city.

Here is what the Statutes say—

"§ 1947.—No person shall catch, kill, or pursue with such intent, or have the same in possession after it has been caught or killed, any quail, partridge or pheasant, between the first day of January and the fifteenth day of November in each year."

And here's what Section 1947 says— "§ 1947.—No person shall at any time catch, kill, or take by means of net, trap, box or snare, or have in possession after having been so caught, killed or taken, any quail, partridge or pheasant."

To a layman, this looks like the absolute prohibition of the sale of quail applies only to those "netted" or "trapped," and has no reference to those killed by gun, dog or club.

WEIL'S BAND NOW A NATIONAL CONCERN.

Weil's Band, the famous official organization of the World's Fair, that began years ago as a St. Louis institution and which won its spurs in impressive fashion at the great fair, has taken on much greater proportions and become an institution of St. Louis-New York. This means simply, that it becomes National and enters a limitless field. It is a high class organization of 50 and employs special stars and Director Weil has prepared rousing programs. This band will be heard here on Saturday, December 2d.
